At our local training centre  
At your own site or workplace

## Overview

This comprehensive course provides learners with an in-depth understanding of health and safety legislation, duty holders, and the regulator WorkSafe NZ:

- ✓ Introduces New Zealand's health and safety legislative framework including the Health and Safety at Work Act 2015, regulations, and safe workinstruments. Outlining the different duty holders like PCBUs, officers, workers, and others.
- ✓ Examines the specific responsibilities of duty holders and requirements for worker representation, participation, and engagement.
- ✓ Covers the role and powers of the regulator WorkSafe NZ including education, engagement, and enforcement. It details notification requirements for notifiable events.

## Course Content

- ✓ Demonstrate an operational understanding of current New Zealand Health and Safety Legislation
- ✓ Describe key duties and the application of those duties in the workplace in accordance with Health and Safety Legislation
- ✓ Describe the key roles in terms of worker participation and engagements in relation to the HSWA

## Unit Standards

**UNIT 30264** Describe duties, rights, representation and the regulator in terms of New Zealand health and safety legislation
