Overview

When it comes to Health and Safety, it is essential that the Board and Management teams of any organisation clearly understand their duties and responsibilities.

This overview will give you a general understanding of current health and safety best practice and provide guidance on what is required to fulfil your obligations as a Person Conducting a Business or Undertaking (PCBU) or Officer of the PCBU. The trainer will provide opportunities for you to raise and discuss issues or concerns relevant to your workplace and consider practicable solutions to address these

Course Content

- ✓ An understanding of current health and safety legislation
- ✓ An understanding of the board and management duties and responsibilities
