

Wheels, Tracks & Rollers

**SAFETYTM
ACTION**

**AXIOM
TRAINING**

If you drive a special-type vehicle on the road that isn't a forklift, you must have a W, T or R endorsement on your driver licence.

Capacity

10 Attendees

Duration

8 Hours

Locations

At our local training centre
At your workplace

Overview

This course includes theory and practical components and includes:

W endorsement - vehicles that run on wheels that aren't forklifts such as passenger vehicles, tractors, fire engines, trade vehicles or vehicle recovery service vehicles

T endorsement - vehicles that run on self-laying tracks

R endorsement - vehicles that run on rollers

The size weight and speed of the vehicle will be relevant to the class of licence you hold.

Prerequisites

Students must hold a New Zealand Class 1 full drivers licence and bring this to the course.

Students who hold a New Zealand Class 1 Restricted or an overseas equivalent to New Zealand Class 1 full licence can still participate in the course but cannot get the W,T or R endorsed until they have obtained a Class 1 Full.

Course Content

- ✓ Describe a special-type wheeled vehicle and the legal requirements relating to driving the vehicle on a road
- ✓ Demonstrate procedures for driving a special-type wheeled vehicle safely and legally on a road
- ✓ Describe driving procedures and general considerations for driving a special-type wheeled vehicle safely on a road

Unit Standards

16701 Demonstrate knowledge and skills for driving on a road for endorsement W (wheels)

16702 Demonstrate knowledge and skills for driving on a road for endorsement R (rollers)

16703 Demonstrate knowledge and skills for driving on a road for endorsement T (tracks)
